PROFESSIONAL PROFILE

Motivated B.Sc. CSIT student currently in the 6th semester with a strong interest in Artificial Intelligence, Machine Learning, and software development. Hands-on academic experience in Python, Django, PHP, MySQL, HTML, CSS, JavaScript, and database-driven applications. Developed e-commerce systems and a college information chatbot, with a strong academic record and demonstrated leadership through college club responsibilities. Seeking an entry-level internship or opportunity to develop practical AI/ML skills and contribute to real-world software projects.
